

Unless otherwise assigned, the copyright of this drawing is reserved by Storch Wood Architects and is issued with the caveat that it is not copied or disseminated in any form or by any means, electronic or mechanical, including photocopying, recording, or by any information storage and retrieval system, without the prior written permission of Storch Wood Architects, who accept no liability whatsoever for alterations made to this drawing by any third party other than themselves. All works to comply in every respect with the current English Building Standards Regulations.

All works to comply with the relevant Codes of Practice and British Standards and any other applicable standards, specifications, codes of practice, and regulations of the persons of the respective trades and in accordance with good building practice. The contractor shall be responsible for making contact with the respective statutory authorities and establish the location of all existing services. The contractor shall ensure that all works are carried out in accordance with the applicable standards and regulations.

Do not scale from this drawing as the original dimensions apply. All scaling and dimensions are to be confirmed prior to the commencement of any associated works, with any discrepancies reported to the architect immediately.
